PROFILE

Frontend Developer with strong skills in React.js, JavaScript, HTML, CSS, and Tailwind CSS. I build modern, responsive, and user-friendly web interfaces. I focus on clean UI design, performance optimization, and real-world application development.

PROJECTS

Finance Dashboard

- Developed a modern and fully responsive dashboard using **React.js** and **Tailwind CSS**
- Designed interactive **responsive UI** with charts, cards, and data visualization
- Implemented **transaction management**, filtering, and dynamic data updates
- Focused on **clean UI**, performance optimization, and seamless user experience

Online Shopping Website

- Built a responsive e-commerce application using **JavaScript, HTML, and CSS**
- Implemented **product listing, shopping cart, and user authentication system**
- Ensured smooth navigation and optimized performance across devices
- Improved user experience with **dynamic content handling** and clean layout
